SBA's Arizona District Office is responsible for the delivery of SBA's many programs and services throughout Arizona. The National Website at www.sba.gov is comprehensive with tools and links and details, and the Arizona site at www.sba.gov/az covers resources you need locally.

- *Free counseling, advice and information on starting a business through SCORE, they also conduct training events throughout the district- some, require a nominal registration fee.*
- *Financial assistance for new or existing businesses through guaranteed loans made by area bank and non-bank lenders.*
- *Business consulting services through the network of Small Business Development Centers, who also provide training classes throughout the district- some, require a nominal fee.*
- *Special loan programs are available for businesses involved in international trade.*
- *Guaranteed loans are available for credit-worthy veterans.*

SBA Workshops: On the first Wednesday of each month, the Arizona District Office conducts two informational clinics.

- *From 9-11am we will host a **Loan Clinic**, at the district office in Phoenix. The program is designed to provide entrepreneurs with information on SBA's loan programs and other services such as SCORE and SBDC counseling assistance. No registration required.*
- *From 1-4pm we will conduct a workshop on **Government Contracting** programs. This program outlines the requirements to participate in all of the current contracting programs and will also feature a contracting official from another (city, state, federal) entity who will address their current and/or upcoming contracting opportunities. Call 602-745-7200 for registration guidance.*
