

Navajo Thaw Project Summary – Cameron

Purpose of Document. As of February 21, 2020, all nine of the Navajo Thaw Chapters have received a draft of their Chapter Recovery Plan. Each Chapter is asked to review the plan for accuracy and completeness. One of the most important parts of the review process is to ensure that *desired projects* are referenced in the plan. The table below shows the projects that are included in the first draft of the plan.

What is missing?
