Resources Available to Cameron Community	Federal grant resources are being managed by Tolani Lake Enterprises to help implement the project. These resources include:		
	Stipends	Meeting attendance and costs	\$17,496
	Equipment	Laptop computers and hotspots	
	Office Supplies	Paper, Ink Jet cartridges, etc.	
	Mentoring/Job Shadowing	Youth can be chosen for a paid internship for three months	
Envision Cameron Innovation Implementation Challenge	One exciting part of the project is that the community can select two or three projects to begin to implement the plan a total of \$26,243 is set aside for implementing these projects.		
Planning Phases	<p>The two-year project consists of five phases:</p> <ul style="list-style-type: none"> • Site Reconnaissance and Evaluation • Programming Review and Confirmation • Preliminary Concept Plans • Draft Conceptual Master Plan • Final Master Plan and Report <p>Within those five phases, the deliverables are listed in the project Work Plan.</p>
